

Stovall for US Congress CD36

Candidate Pledge

I pledge to pursue this agenda while in office.

- Preserve Texas Traditions
- Remain Faithful to the Constitution
- Secure the Border
- Stop the Growth of Government

Like you, I believe in the Constitution and common sense. Let's agree to elect people willing to listen and be strong voices in Washington, DC, who are unafraid to stand up and fight for the great Lone Star State.

A handwritten signature in black ink, appearing to read 'Stovall', is written over a solid horizontal line.
